Outreach Spotlight: Trini Mini

Trini Mini started in 2009 with an idea that Holy Trinity could fill a need in the lives of a growing number of elementary age children by providing a safe and structured after school program. Receiving help with homework, participating with recreational activities with other children, making crafts, listening to a children's story read aloud and eating a snack – these are some of the activities at no cost that the children enjoy. During the school year Trini Mini meets on Tuesday and Thursday afternoons from 3:30 – 5:30.

In February the Trini Mini children made Valentine cards for local veterans as one of their craft activities. Last week the kids received a Certificate of Appreciation for their thoughtfulness from the the Veterans Auxiliary. What a wonderful way to spread kindness across generations!

Thank you to our team of dedicated volunteers for sharing their passion to develop our youth community academically, physically, artistically and spiritually!
