August Stewardship: Konde Diocese – Our Partner in Ministry

You may or may not know that each of the sixty-five synods of the Evangelical Lutheran Church in America has been linked with a Lutheran companion synod or church body outside the United States with which to partner in ministry and provide each other support through prayer and opportunities to engage with each other. We in the Lower Susquehanna Synod have been blessed with the companionship of the Konde Diocese, which is part of the Evangelical Lutheran Church in Tanzania (ELCT). The Konde Diocese at present boasts a membership of over 125,000 members in seven church districts. Within these seven districts there are more than 100 congregations that are served by 160 pastors and 200 evangelists, who are serving God's people and spreading the Good News of Jesus Christ, which they have been faithfully doing since 1977.

The operative word in beginning to understand the nature of this ministry partnership and its benefits is "companion." Each of our synods/diocese and the congregations that make up these bodies are called to serve our neighbor and share the life-giving gospel of Jesus Christ. Doing so, no matter if one is part of a congregation in Ephrata, Pennsylvania or a congregation in a village in the Konde Diocese, we can offer encouragement for each other's challenges and celebration for the joys. Through this relationship the work we have been called to do becomes easier and more meaningful because we know there are siblings in Christ offering mutual support. Such a relationship also provides the opportunity to learn from each other through correspondence and the sharing of ideas. This is especially relevant as we in this nation struggle with shrinking congregations and a waning interest in organized religion, while Christian churches in Africa and other less developed parts of the world are experiencing a boom in persons embracing the Gospel and its grace-filled message.

During the month of August the Konde Diocese will be our stewardship focus, and I encourage all of us to prayerfully consider how we as a congregation can be actively engaged in a relationship with the diocese and its individual congregations—supporting their ministries as they support ours. To help us deepen our connect we are working with our synodical liaison with the ELCT to link Holy Trinity with a congregation in the Konde Diocese with whom we can personally have contact and grow our relationship congregation to congregation.

45th Anniversary of Ordination Celebration

Please join us for worship on Sunday, August 20 as we gather to praise God and celebrate the 45th ordination anniversary of The Rev. Newell Embley III and his faithful acceptance of the call to the Office of Word and Sacrament. Please plan to remain after the liturgy has ended for a time of fellowship with Pastor Embley and his family.

Scholarships Awarded

The Congregation Council has awarded this year's Moyer Scholarships to Carly Gilbert and Matthew Sheaffer. The John Moyer family generously created a scholarship fund to benefit Holy Trinity members pursuing certain college or post-graduate degrees. The fund is a separate investment managed by the Finance Committee. Each year the Congregation Council receives applications for the scholarships and determines eligibility and the amount available to award.

Congratulations to Carly and Matthew. Best wishes and our prayers of support as they begin their studies this academic year.
